**URBAN INDY**  
*(Shopify developer Intern)*

**SEP 2022 - DEC 2022**  
*Bangalore, India*

- customize the appearance and layout of online stores based on client requirements. This might involve modifying HTML, CSS, and JavaScript code, implementing responsive designs, and ensuring a seamless user experience .

## PROJECTS

**College Forum** | Django, ReactJS, TailwindCSS.

**Feb 2022**

- Designed and created a social media platform for Colleges.
- Each individual will have his/her personal account, thus to ensure easy retrieval of his/her posts, comments, likes etc. User will be added to channels by the administration and he/she can also post, like comment on any post.
- Admin has all the rights to add/remove/update any user, post, comments, likes.

**School Management System** | Django, ReactJS, TailwindCSS

**July 2022**

- Designed and created a School Management.
- Designed various functionalities for teachers, students and admins each with their own respective scope of access, achieved with the help of an authentication system.
- Optimized result retrievals using query optimization techniques in Database.

**Portfolio** | ReactJS, TailwindCSS

- Built a web application to showcase my skills and projects.
- Used various JS libraries for design and animation.
- Achieved a perfect 100 score for site perf

## ACHIEVEMENTS

- CodeChef max rating 1699
- GeeksforGeeks Institute rank - 29
- Solved 150+ standard quality questions
